House Bill No. 1038

by deleting Section 3 of the bill as amended in its entirety and by substituting instead the following new language:

SECTION 3. Tennessee Code Annotated, Section 50-6-244(b), is amended by deleting the subsection in its entirety and by substituting instead the following new language:

(b)

(1) A statistical data form may, at the option of an employer or employee, be filed for a workers' compensation matter that is concluded by settlement, whether approved by a court or the department of labor and workforce development. A statistical data form may be filed for a workers' compensation matter that is concluded by a trial so that the form reflects the trial court's ruling and information that is current as of the date the trial order is submitted to the court for approval, whether or not an appeal of the matter is anticipated or filed. A statistical data form may be either typed or completed by computer using a form available on the website of the division of workers' compensation.

(2) In cases involving a workers' compensation settlement that is approved by a court, the completed statistical data form may be filed at the same time as the order approving the settlement is filed and may be filed with the clerk of the court in which the settlement order is filed.

(3) In cases involving a workers' compensation case that is resolved by trial, the completed statistical data form may be filed at the same time as the final order is submitted to the trial court for approval and may be filed with the clerk of the court in which the matter was tried.
